

SBAC Referral Program FAQ

Overview

The SBAC referral program goes into effect on November 1st 2016. All referrals **after** the before mentioned date will be taken into account with the referral program. Any members who refer a member to become a member of the SBAC will receive \$10 credit towards their membership dues for each referral on their next payment.

How to Qualify?

The referring members name must be included on the New Member's application under the *Referral Member/Organization/Event/Media Name* field to qualify for a credit. In order to receive credits on your next payment, we must receive the new member's application with their initial payment. No credit will be distributed until this point.

Any person(s) who sign up for membership at the SBAC Member (\$35 monthly/\$90 quarterly/\$300 annually) or SBAC Pro Partner (\$150 monthly/\$1500 annually) levels qualify as a referral. Anyone who signs up at the SBAC Advocate (Donation) level will not qualify as a referral.

When are credits distributed?

Credits will be add at the end of the month in which the application is received. I.e. if the new member joins on November 12th and the referral member dues renews on November 26th the credit will be issued to the next payment for membership dues. No refunds will be issued to previous payments received.

Credits will be given up to the amount of your next payment for membership dues. For example, if your next payment is \$90 and you refer 10 members the referral member will receive \$90 in credits.

Credits can only be distributed towards Membership Dues. Credits cannot be used towards event registrations.

What if I Referred a Member Prior to the launch of the Referral Program?

Unfortunately, we cannot issue credits or refunds for referrals that took place prior to November 1st 2016. We are extremely grateful for any referrals we received prior to this date however we will not be able to incorporate them into the SBAC Referral Program.

What if I refer a member and I am not currently a member?

Only current members qualify for credits under the SBAC Referral Program. Under the referral program we are only crediting upcoming payments and cannot issue refunds for previous payments.

Questions

If you have any other questions about the SBAC Referral Program please contact Ryan Tolley, SBAC Membership Director, at ryan@sbacil.org or (312) 548-8608.
